

LE PAN ENTERS U.S. MARKET WITH DEBUT OF LE PAN™ MODE DE VIE™ TABLET

Premium 9.7-Inch Media Tablet Engineered For Your Lifestyle Arrives in Stores in summer, 2011.

LOS ANGELES, CA, April 08, 2011 – Le Pan™, the signature of lifestyle and quality, will unveil the company's first multimedia tablet to the U.S. – the Le Pan™ MODE DE VIE™.

Committed to “nothing but the best”, Le Pan™ tablets are engineered for perfection. In keeping with this vision, the Le Pan™ MODE DE VIE™ is crafted out of premium grade materials, with a lustrous black exterior, smooth chrome frame and a sleek brushed aluminum finish on the back in addition to a stunning high-definition screen with multi-touch.

Inside, the Le Pan™ MODE DE VIE™ comes equipped with built-in GPS and Wi-Fi®, a powerful 1 GHz mobile processor with plenty of memory, impressive storage of up to 32GB, opening up a whole new world of multimedia possibilities, including true video chatting with the

front-facing camera, seamless media streaming and PC-like web browsing.

ABOUT LE PAN™

Lifestyle and quality has become synonymous with the Le Pan™ signature.
