

Le Pan's tablets enter Home Shopping Network

Los Angeles, CA - June 01, 2012 - After entering major online retailers such as Amazon.com, bestbuy.com, etc., Le Pan, the popular 9.7" tablets and the HSN, the largest TV shopping network made deals of selling Le Pan TC 970 and Le Pan II in last February and April.

The Le Pan tablets were well received by HSN customers. The Le Pan tablets sales at HSN met the original goals set by both parties. Le Pan was very please with the sales result and expressed its confidence to use TV shopping as its major marketing and sales channel. HSN promises that it will commit more air time in near future for Le Pan product, both existing and new models.
